# *Creating your dream wedding...*

Make your wedding a day to remember by hosting it at Chiddlecombe Farm near Bideford North Devon.

Our venue is secluded yet easily accessible and quite simply breathtaking. The spectacular views of Exmoor and the surrounding North Devon countryside right around to the Atlantic Ocean and Lundy Island make a beautiful backdrop for those all important wedding pictures.

We have a beautiful marquee, which can accommodate up to 175 seated guests and up to 200 additional evening guests. It offers the perfect blank canvas to create any look and fulfil your hearts desire for your big day.

Chiddlecombe Farm truly is an idyllic place to celebrate your wedding. We offer the added bonus of on site accommodation, which means that you can relax and enjoy your special day and extend your precious time with your family and friends.

Everything can be tailored to suit your individual requirements. We can arrange local caterers, florists, photographers, hair and makeup specialists that can all help make your day perfect.

Many marquee companies simply quote for the basic hire leaving you to source everything from tables and chairs to the bar. We at Chiddlecombe are unique in that we offer the complete set up package, removing any unwanted stress and allowing you time to relax and spend with your loved ones in the build up to your special day. Laura, our venue co-ordinator is on hand to help you with any queries and special requirements you may have.

Chiddlecombe is able to hold marriage blessings and we have an idyllic location for just this. Located to the front of the marquee overlooking the country side and Atlantic Ocean.

The charge for holding your blessing is £175.00 and includes chair set up, use of the PA system and use of the bar facilities before and after the ceremony.

# *Accommodation...*

Our venue in the hamlet of Fairy Cross can offer you and your guests the complete package. We have two beautifully converted barns offering accommodation for the bridal party and guests giving you the opportunity to relax both before and after you've tied the knot.

When adding the accommodation, we guarantee you exclusive use of the whole venue.

Many of our guests choose to start their special weekend by getting together in Orchard House to enjoy a barbeque with their closest friends and family on the Friday evening.

Our properties are perfect for large families and groups. Orchard House sleeping 14 and Chapman House sleeping 10. They both have ample space for socialising and more importantly plenty of room for everyone to get ready on your big day. Our accommodation is also pet and child friendly with cots and highchairs available along with outside play areas and an indoor games room on site. We have plenty of on site communal activities such as tennis court, table tennis and a pool table and each property has its own children's outdoor play equipment.

The accommodation is of course subject to availability and is quoted on the basis of 3 nights - Friday to Monday.
